

**Product Name:**KY-004 3Pin Button Key Switch Sensor Button Switch Module

**Quick Details:**

**Description:**

Instant Touch Button Key Switch Sensor Module Compatible with DIY items. This is a useful module, fast response, strong anti-interference ability, and durable.

**Specification:**

Rating	50mA 12VDC
Contact Resistance	50 megohm max(initial)
Insulation Resistance	100MΩ(minDC 250V)
Dielectric Strength	AC250V(50/60Hz for 1minute)
Environment temperature	-25℃~+105℃
Operating Force	180/230(±20gf)

**Package Included:**

1pcs KY-004 3Pin Button Key Switch Sensor Button Switch Module
