

GY-63 MS5611 Atmospheric Pressure Sensor Module Height Sensor Module IIC/SPI Communication

Product Description

Module Model: GY-63-03

Size: 19mm * 13mm

Name: MS5611 module (atmospheric pressure module)

-Chip 24bit AD converter

High quality Immersion Gold PCB, machine welding process to ensure quality

Using a Chip: MS5611-01BA03

Power supply: 3-5v (internal low dropout regulator)

Communication: standard IIC / SPI communications protocol
