

**Ref. No. 109068 | Cat. No. RL4RA022T5**
**Description: RELAY 2NO+2NC 220V/50-60HZ AC COIL**
**EAN 8017018090680**
**Home > Power devices > Contactors > Series RL - Auxiliary Contactors**

- Control circuit: Alternating current up to 690V
- Terminal numbering in accordance with EN 50005 and EN 50011
- Fixing system for rapid and simple mounting onto standard 35mm DIN-rail (EN 50022)
- Terminals protected against accidental contact in accordance with VDE 0106 T.100, VBG4
- Three coils terminals
- Facility to mount side and/or front instantaneous contact blocks, timed auxiliary contacts, mechanical latch, voltage suppressor blocks and interface modules
- Degree of protection IP20 in accordance with EN60529
- Conform to IEC/EN60947-1, IEC/EN60947-5-1

Category | Series RL - Auxiliary Contactors

**Specifications**

Series	Auxiliary contactors (Ith = 20A)
Control circuit	AC
Terminal	Screw terminal
Number of contacts	4
Contacts	2NO+2NC
Control Voltage: AC Bifreq. Coil (at 50-60 Hz)	220 V
Utilisation category AC15	120V - 10A
	230/220V - 10A
	400/380V - 6A
	440/415V - 5A
	500V - 4A
Utilisation category DC13	690/660 - 2A
	110V - 2A
	220V - 0.7A
	24V - 6A
	440V - 0.35A
Package (pcs)	20

**Classifications**

ETIM 5.0	EC002060 - Timer block
ETIM 6.0	EC002060 - Timer block
ETIM 7.0	EC002060 - Timer block

**Dimensions**

Weight	0.280 kg
