

TZ-05 MARKING TOOL

TZ-05 Scriber

- Ideal for metal work to mark a point or draw a line on the workpiece.
- Right-angled head is very useful to draw a line, also can be used to hook the edge of a spring and any ringed parts securely.
- Material : Carbon steel with a flame-hardened tip.
- Width of Head : 20 mm approx.
- Overall Length : 210 mm
