

SEED-114990222

PRODUCT DETAILS

The Mix color PLA pack refills for 3Doodler 2.0 standard pen. This PLA plastic is more bio-based (generally corn, soy beans, etc) and rigid than the ABS plastic. The heat requirement is 35°C lower than the ABS plastic and this plastic refills are more suited to building structures.

This pack contains 5 mix colors:

- 5 strands of TEAL (10" each)
- 5 strands of STYL(10" each)
- 5 strands of STYL (10" each)
- 5 strands of GRAS(10" each)
- 5 strands of FRST (10" each)
