

PZ-56

Slip-joint Screw Removal Pliers : 2-way opening jaws!

- Unique jaws with both vertical and horizontal serrations grip a screw head securely without slipping
- Slender nose design for work in confined areas
- Much faster than fluted screw extractor and simpler than vise grip pliers
- Body made of durable Chrome Vanadium alloy

Features

Horizontal and vertical serrations

Slip-joint function for more possibilities

Slender jaws for work in confined areas

Remove problematic screws in seconds!

Note

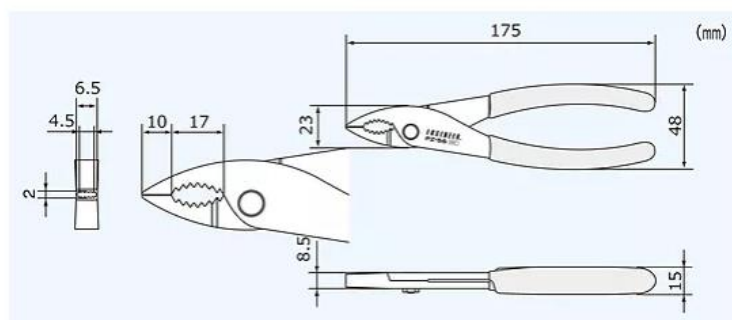

- 1) The tool may not remove specially-hardened, heat-treated or glued screws.
- 2) Be sure to apply this tool to a screw head, but not to screw thread.

Screw Head Size
