

PZ-79

Flat Cable with PVC sheathed $\Phi 2.6\text{mm}$ x 3 core
Round Cable with PVC sheathed $\Phi 5.5\text{mm}$ x 3 core

With unique non-slip gripping jaws, a must for electricians

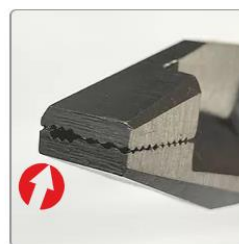

- Cuts PVC insulated 3-core wire easily with one hand.
- Well-structured and durable shears
- Crimper for bare terminals (AWG16~12)
- Cross-hatched jaws to hold a thin plate, tie band and other parts securely without slippage
- With unique screw extractor owing to vertical serrations inside the jaws

Shears-structured cable cutter (Comparison)

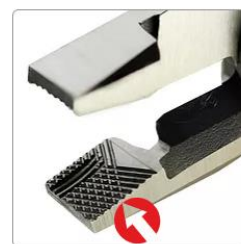

PZ-79: Fine cutting in finish owing to shears structure

2-way non-slip gripping jaws

Screw Remover
3.5mm offset vertical serrations

Cross-hatched pattern
Gripping with no slip

- Vertical serrations to grip a screw head securely
- Cross-hatch to hold a tie band and a thin plate

Removable Screws

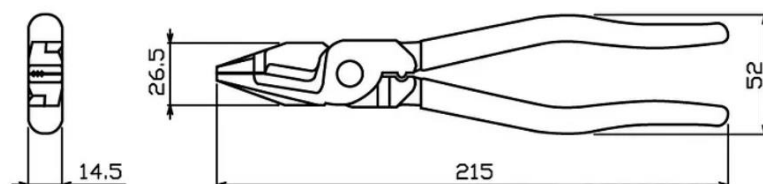

Note

- 1) The tool may not remove specially-hardened, heat-treated or glued screws.
- 2) Be sure to apply this tool to a screw head, but not to screw thread.
