

SWU-02~06 Solder Wick

- SOLDER-WICK(R), Desoldering braid, highest copper braid featuring fast absorption of solder
- No cleaning process required and leaving less residue of flux on circuit board

Item No.	Width	Length	Application of desoldering
SWU-02	1.5 mn	1.5m	Highly dense SMD
SWU-03	1.9 mm		Small electronic parts or plated through-hole parts
SWU-04	2.8 mm		Medium electronic parts or solder bridges
SWU-05	3.9 mm		Large-sized parts or terminals
SWU-06	5.6 mm		Large solder lugs

* SOLDER-WICK(R) is a product of Chemtronics, U.S.A.
