

# JM-G12013 UTILITY KNIFE

## HOUSEHOLD TOOL SERIES

Safety Lock

Snap Off

- Best for general and precision cutting for boxes, plastic packaging, straps, arts and crafts, cardboard, carpet, rope, leather, flooring, and fabric etc.
- Each blade has 8 snap-off segments.
- The blade material is SK2 and the edge is sharp for fast cutting.
- It's easy to replace the blade, just take off the tail cover.
- Blade and scabbard always keep 1mm distance to avoid contact and friction which can prolong use life.
- Blade is retractable freely by manually pushing the adjust button.
- The handel is made of high-quality ABS material, it's delicate and comfortable handfeel.
- Innovative design of safety lock to prevent children from being injured by accident.
