

PERFWIPE ESD PU Palm Fit Gloves Specification

Descriptions:

ESD PU palm fit gloves made from ESD carbon yarns with polyester yarns.

Two polyester yarn and one ESD carbon yarn with strong flexibility, PUcoated palm-fit, white palm, good ventilation, durable and slip-proof.

Material:Polyester yarn and ESD carbon yarn with PU coating

Application:

The ESD PU palm fit gloves are widely applied to precision instrument assemble and electronics industrial,product inspection,PCB board manufacturing,as well as semiconductor industries and other field

Application Environment:

Temperature:0~40 Deg C

Humidity:30~70% (atmospheric pressure)

Avoid direct sunlight

Inspection Item

Product Size		S	M	L
NO	Inspection Item	Standard		
1	Yarm Material	70%Polyester and 30%Carbon		
2	Yarm Specification	140D		
3	Palm Colour	White		
4	Visual Inspection	Spotless, no breakage		
5	Wrist Sealing	Serging		
6	PU Coating Quality	Smooth coated, no yellowish		
7	Wrist Colour	White	Green	Gray
8	Cuff Colour	White	Green	Gray

Specifications Parameter (Unit:length:mm, weight:g)

Size	Total	Wrist	Palm	Fingers	Weight
	Length	Width	Width	Width	(pair)
S	200±10	72±2	80±2	25±2	9.0±1
M	210±10	74±2	87±2	27±2	10±1
L	220±10	77±2	90±2	30±2	10.5±1
