Product Name: 37 in 1 Sensor Module Starter Kit

Quick Details:

Temperature sensor module	1
Automatic flashing colorful LED module	1
Mini magnetic reed modules	1
Hall magnetic sensor module	1
Infrared sensor receiver module	1
Class Bihor magnetic sensor	1
Magic light cup module	1
Rotary encoder module	1
Optical broken module	1
Detect the heartbeat module	1
Reed module	1
Obstacle avoidance sensor module	1
Hunt sensor module	1
Mercury open optical module	1
Yin Yi 2-color LED module 3MM	1
Active buzzer module	1
XY-axis joystick module	1

Metal touch sensor module	1
Small passive buzzer module	1
2-color LED module	1
Hit sensor module	1
Vibration switch module	1
Photo resistor module	1
Key switch module	1
Tilt switch module	1
3-color LED module	1
5V relay module	1
Microphone sound sensor module	1
Laser sensor module	1
Temperature sensor module	1
Temperature sensor module	1
Linear magnetic Hall sensors	1
Flame sensor module	1
Sensitive microphone sensor module	1
Temperature&humidity sensor module	1
3-color full-color LED SMD	1

modules	
Infrared emission sensor module	1
