Extend the number of ports on your laptop and connect with multiple devices through USB-C, HDMI, USB-A and a network port, and import data using the card reader.

Easy Setup and Compatibility

The versatile Trust Dalyx 10-in-1 works with every laptop, MacBook and tablet* that has a USB-C port. The Dalyx 10-in-1 allows you to transfer data extra-fast over the four USB-A ports, at a speed of up to 5 Gbps via USB 3.2 Gen 1. There's no need to install software for this handy tool; just plug in & play!

*Compatibility with Android tablets may vary, depending on USB-C implementation

Broad Connectivity

Using a single USB-C port on your device, the Dalyx 10-in-1 offers all-round connectivity. Connect your tablet or laptop to a monitor or TV through the HDMI 1.4 port to watch films and view photos in 4K Ultra HD. Connect to a wired network via the Gigabit Ethernet port for a stable and super-fast connection. Import your photos via the card reader, charge your laptop on the side with the USB-C PD (Power Delivery) port and add other devices like your keyboard and an external drive using the USB-A ports.

Including Laptop Stand

With the Dalyx 10-in-1, you can work comfortably, by setting up your laptop at a better viewing angle and height. With the included laptop stand, you can improve your work posture whilst simultaneously optimising the airflow of your device to prevent overheating.

Stylish Desk Gadget

On top of being extremely functional, the Trust Dalyx 10-in-1 USB-C Multi-Port Docking Station is super stylish, too. Coming in a space grey die-cast aluminium alloy housing, this gadget is a true eyecatcher, making for a good-looking addition to your work and office kit.
